Massachusetts Offers Rebates  
for Electric Vehicles

# Electric vehicles aren't that different... just better!

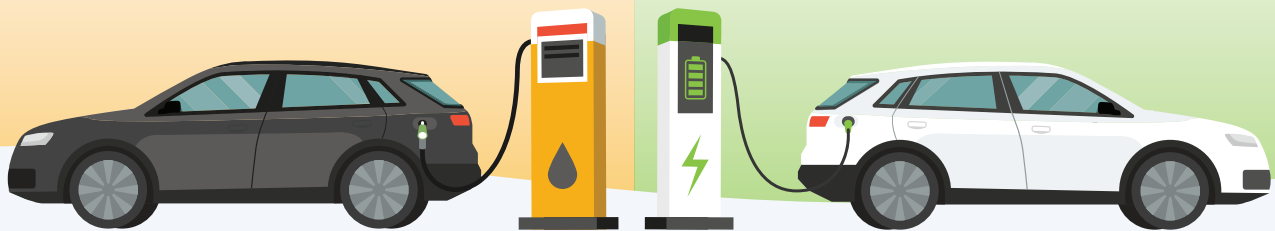

## GASOLINE VEHICLE

- 24 mo/36,000-mile battery warranty
- 50,000-mile brake life
- Oil changes
- Transmission fluid
- Spark plugs

vs

## ELECTRIC VEHICLE

- 96 mo/100,000-mile battery warranty
- 100,000-mile brake life
- No oil changes
- No transmission fluid
- No spark plugs

**Get all the advantages of driving electric**  
and a **\$3,500 – \$6,000** rebate when you purchase or lease  
an eligible electric vehicle.

### LESS MAINTENANCE

- Less servicing
- Fewer moving parts
- Longer battery life
- Longer brake life

### LOWER FUEL COSTS

- Approx. 3.5 times less expensive per mile
- May qualify for electricity rate savings
- Over 3,000 public charging stations statewide

### REDUCED EMISSIONS

- Lower emissions
- Less carbon dioxide
- Less noise pollution
- Reduced asthma triggers

Browse the eligible vehicle list and see how much  
you can save on a new or used electric vehicle.
